2015 — 2016 Tongji University Outstanding Undergraduate Student Scholarship	First Prize	University

Personal Summary

The personal summary (or self-evaluation) part should be a comprehensive summary of yourself, aiming to let others know you better. In this section, emphasize the highlights you want to highlight, which are best related to your job seeking. This template only provides a format reference. The content and order inside need to be customized according to each person's personal situation and job-seeking wishes, so as to create a resume that really suits you. This résumé template only ensures that your résumé is up to the standard in terms of typesetting. Using this template only guarantees a lower limit of the résumé; contents are more important than typesetting, and you need to be smart to present yourself based on your abilities and experience to improve the upper limit of your résumé. Hope this template can help and enlight you. Please give it a star: `https://github.com/neo-derek/neat-resume`
